

Tortoiseshell Harness (Un-knotted version)

1 - Start with Larks Head
Knot loosely
around body

2 - Bring tails around
to the front of the body

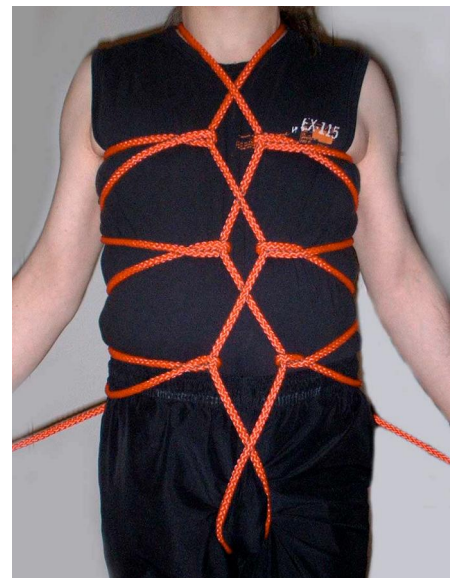

3 - Cross left tail under
right central rope and
vice versa

3 - Loop tail upwards over central
rope, then down and under itself

4 - Repeat process
at back of harness

5 - Repeat cross loops
down body, front and back
